Islamic knowledge and environment, is Madhubani, district Supaul (Bihar). This is the place where respected Mufti Mahfuzur Rehman Uthmani has established Jamiatul Qasim Darul Uloomil Islamia with conviction and elaborate program. This Madrasa is still in its initial stage. I appeal to all conscientious people of Islamic Ummah to contribute to this important and auspicious service to Islam.

I pray to Allah to save this Institution from all mischief and make it a beacon of the light of Islamic knowledge and let propagation of Islam by it become useful for all.

Wassalam
