Rawaq-e- Imam Mohammad Ilyas Al- Kandhlavi (RA)

الحمد لله رب العالمين، و الصلاة و السلام على سيد المرسلين و خاتم النبيين سيدنا محمد، و على آله و صحبه الغر الميامين، و من تبعهم بإحسان و دعا بدعوتهم إلى يوم الدين. قال الله سبحانه و تعالى: اقْرَأْ بِاسْمِ رَبِّكَ الَّذِي خَلَقَ، خَلَقَ الْإِنْسَانَ مِنْ عَلَقٍ، اقْرَأْ وَرَبُّكَ الْأَكْرَمُ، الَّذِي عَلَّمَ بِالْقَلَمِ، عَلَّمَ الْإِنْسَانَ مَا لَمْ يَعْلَمْ. (العلق: ١- ٥) مَا كَانَ مُحَمَّدٌ أَبَا أَحَدٍ مِّن رِّجَالِكُمْ وَلَكِن رَّسُولَ اللَّهِ وَخَاتَمَ النَّبِيِّينَ ۗ وَكَانَ اللَّهُ بِكُلِّ شَيْءٍ عَلِيمًا. (الاحزاب: ٣٩- ٤٠) قال النبي صلى الله عليه وسلم: أَنَا خَاتَمُ النَّبِيِّينَ لَا نَبِيَّ بَعْدِي (ابوداؤد: ٢٢٤٤). أما بعد:

The name of a complete system of life and the procedure for living it is Islam. Islam is known as a Deen (way of life) encompassing all aspects and departments of life. Complete guidance for achieving access to all paths of obtaining success and victory as well as welfare and betterment is given here, and this is impossible to achieve success in any department of life without adopting this system of life. The Holy Qur'an and the traditions of the Prophet constitute the source and spring of entire Islamic system, without which sustenance of any Islamic society, maintenance of any transparent political system, establishment of peace and justice and progress of humanity cannot be imagined. Without making the Qur'an and the Sunnah a lamp post, there remains no alternate course of action for achieving success of the system of life and succeeding in keeping head high on each turn of the highways of life.

But this is also a reality that an organized system and an institution is needed for its explanation, for preaching Islam and inviting towards it, and for adorning the sblings of humankind with the lessons of the Qur'an and Hadees and religious education. This was recognized by the World Leader, the Holy Apostle (S.A.W.) himself. For adorning then erstwhile humanity with the teachings of the Qur'an and the Hadees and for introducing this system as per command of my Lord, he had established a school in the house of Arqam where moral and spiritual training was imparted to the people embracing Islam. Then occurred the incident of second bay'at at Aqabah, after which the Prophet (S.A.W.) sent Hazrat Mus'ib to Madinah, where he founded the best madrasa of the Islamic world in a vast but simple building belonging to Bani Zafar that got associated with the name of Ashaab-e-Suffah (the companions of the mud-platform) after Hijrat-e-Madinah. The distinguished Companions (R.A.) started teaching the Qur'an and the Hadees from this place, and those among them who benefitted from this makeshift school, accomplished the

duty of propagating and transmitting Islam to entire world and abolished ignorance from the world by lighting the lamp of knowledge amidst pitch dark atmosphere. After that ensued the unending series of the establishment of Islamic madrasas for development of the teachings of the Qur'an and the Sunnah.

Pious Caliphs (R.A.) and all governments after them paid special attention to spreading the knowledge. Development of education was taken as a mission. Pioneering Islamic madrasdas, universities, places of worship, mosques and maktabas were established and Muslims gained prominent place in contemporary education along with the religious education. Muslims always kept their eyes fixed at the message of the first verse revealed in the Glorious Qur'an:

Read in the name of thy Lord who created. (He) created the man out of a clot of blood. Read, and thy Lord is most gracious who taught by pen. (He) taught man that he did not know.

Muslims always took attainment of knowledge as the master key to success. Besides the powers that be, leading statesmen, landlords and nawabs also discharged the duty of maintaining a clean and transparent society, popularizing Islamic civilization and culture and introducing the teachings of the Qur'an and Hadees among the Islamic Millat by establishing their personal madrasas.

Mater piece of the Golden Period

But when Muslim governments started declining and Othman caliphate got ended, Muslims' method of teaching also got somewhat changed, especially for Muslims of those countries had to face much troubles where the Muslim government was totally eliminated and the power was completely in the hands of imperial powers. India that had remained under the control of Muslim rulers for eight hundred years was also usurped by the English government, after which, besides the loss of power, Islam too reached at the verge of usurpation. After seizing power, the Englishmen started implementing their plan to wipe out Islam and its religious emblems. Along with the massacre of Muslims, they opened their sharpest attacks against Muslims' thoughts and ideologies. Lord Macaulay shaped the plan to “prepare

such individuals in India who remain Indians by their color and race but become an Englishman in their thought and mentality”. Not only this much, misusing their powers, imperial powers started attacking Muslims' faith by tempting them with wealth and other worldly greed. Christian missionaries raised the slogan: “Free education and free boarding and lodging, if you become a Christian”. Muslims were forced on a large scale to adopt Christian religion.

Center of Knowledge

In such difficult circumstances, when the Islamic Millat was facing extreme troubles, the talented disciple of the universal teacher Maulana Mamlook Ali Nanotvi, who used to teach the upcoming generations of the Muslim nation at Anglo-Arabic School situated at Ajmeri Gate, namely, Hujjatul Islam al-Imam Muhammad Qasim Nanotvi was born. He started confronting Englishmen on all fronts. Declaring jihad against Englishmen, he directly combated on the grounds of Shamli and discharged the duties of leading an Islamic army. On the other hand, he accomplished exemplary tasks at ideological and global level. Al-Imam Muhammad Qasim Nanotvi introduced innovative way of attainment of education by a nation lacking in any government, and propounded the idea of educating the children of the nation with the funds provided by it. He launched a new revolution and a new movement in the world by establishing his Madrasa Islamiyyah under the shades of a pomegranate tree in Masjid Chatta, Deoband. In face of Lord Macaulay's English plan, he declared: “Our objective is to prepare such individuals who are Indian according to their race and color but Islam is in their minds and brains”. This struggle headed by Al-Imam Muhammad Qasim Nanotvi coupled with his uninterrupted call molded into a global movement. Numerous renowned and distinguished Ulema of this country joined this movement and got busy in irrigating with Islamic sciences by standing shoulder to shoulder with Al-Imam Nanotvi. Included among them were: Syedut Taa'ifah Haji Imdadullah Muhajir Makki, Imam-e-Rabbani Rasheed Ahmad Gangohi, Mujahid fi Sabeelil Imam Mazhar Nanotvi, 'Abqariyyuddahr Sa'adat Ali Fiqeeh Saharanpuri. Muhaddis-e-'Asr Ahmad Ali Muhasddis Saharanpuri, Sheikhul Hind Maulana Mahmood Hasan Deobandi, author of Bazlul Majhood Maulana Khaleel Ahmad Muhaddis Saharanpuri, Maulana Muneer Ahmad Nanotvi, Maulana Mohammad

Ya'qoob Nanotvi, Maulana Ahsan Nanotvi and their friends and contemporaries. Their struggle succeeded in such a way that the world became amazed and perplexed seeing that. Suffice as a witness to it the selfless struggle of Hazrat Nanotvi, the names of personalities of thought and art as well as preaching and reform like Hakimul Ummat Maulana Muhammad Ashraf Ali Thanvi, Da'yee ilallah Maulana Muhammad Ilyas Kandhlavi, Victor of Qadiyaniyyat Maulana Muhammad Ali Mongeri, Muhaddis-e-'Asr 'Allama Mohammad Anwar Shah Kashmiri, Ra'yeesul Qalam Maulana Syed Manazir Ahsan Gilani, keen observer of Fiqh and Fatawa Mufti-e-A'zam Mufti Kifayatullah Dehlvi, Abul Muhasin Maulana Mohammad Sajjad Bihari, Mu'arrikh-e-Islam 'Allama Syed Suleman Nadvi, author of Asihhus Siyar 'Allama 'Abdur Ra'oof Danapuri, Sheikhul Islam Maulana Husain Ahmad Madani, Sheikhul Hadees Maulana Muhammad Zakariyya Kandhlavi, Hakimul Islam Maulana Qari Mohammad Tayyib, Mufakkir-e-Islam Maulana Syed Abul Hasan Ali Nadvi, Grand Mufti of Gujarat Mufti Isma'yeel Bismillah, Preacher of Islamic sciences Maulana Sa'yeed Ahmad Randervi, Mufti Abdur Raheem Lajpuri (Gujarat), and Faqeehul 'Asr Qazi Mujahidul Islam etc., may Allah shower His mercy on them!

This truth shall also be expressed without any hesitation on this occasion that history shall always register in bold letters the names of Muhsin-e-Qaum wa Millat Sir Syed Ahmad Khan, Ra'yeesul Ehrar Maulana Muhammad Ali Jauhar and Mu'arrikh-e-Islam 'Allama Shiblee No'mani who did great benefaction of establishing great houses of scholarship like Aligarh Muslim University, Aligarh and Jamia Millia Islamia, New Delhi, considering the need to adorn the Qaum and the Millat with contemporary education.

In this way, this system got gradually recognized in entire world. In all secular states where no proper system of religious education was found, the same pattern was adopted for establishing madrasas. In spite of the fall of a Muslim government in India, India could avoid becoming Spain, because of the existence of Islamic madrasas. Otherwise, there would be enacted the scene of Granada and Andulas in India. May Allah perpetuate this excellence till the day of Qiyamah!

Axis of Devotion of Ulemas and Sufis in the Land of Bihar

The land of Bihar has also played leading role in taking this movement of

Hujjatul Islam al-Imam Muhammad Qasim Nanotvi ahead. This does not need any repetition to state here that the State of Bihar enjoys the honor of staying in the foremost rank of each and every movement and preaching launched by the country and the Millat. In every period, this state has played some important role in development of the religion of Islam, dissemination and spread of Islamic sciences and serving the Deen. Glittering pages of Indian history are full of services and sacrifices offered by the State of Bihar. So, the pages of history tell us that Moghal emperors preferred selecting teachers from Bihar for training and education of their princes. Four Ulemas of Bihar, Faseehuddin Phulwarvi, Sheikh Riyazuddin Bhagalpuri, Qazi Inayatullah Mongeri and Mulla Abul Hasan Darbhangawi (R.A.), were included among the distinguished Ulemas selected by the emperor imbued with the qualities of foresight and cultivation of knowledge, 'Alamgeer Aurangzeb (R.A.) for compiling Fatawa 'Alamgeeri. Hazrat Khwaja Nizamuddin Awliyaa' was also benefitted by the famous sufi of Bihar, Sheikh Khizr Parah. Bihar had been the axis of devotion of Ulemas and Sufis of entire Indian subcontinent since the age of Sultan Nasiruddin. Hazrat Sharafusddin Yehya Muneri was the Marje' and focus of Ulemas and seekers of guidance and reformation from entire subcontinent. The history of Balakot Movement is also decked with the struggle waged by Ulemas of Bihar. Besides the author of Sullam, Mulla Muhibbullah Bihari, whose abilities are recognized all over the world, great thinkers, writers and authors of recent past like Abul Mahasin Mohammad Sajjad, Ra'yeesul Qalam Maulana Manazir Ahsan Gilani and Mu'arrikh-e-Islam Syed Suleman Nadvi were born by this very land. The same region is motherland of Qazi Mujahidul Islam who accomplished historical tasks in the field of fiqh and scholarship. On this occasion, this can be said promptly that considering these qualities of this region Imamul Hind Shah Waliullah Muhaddis Dehlvi had rightly remarked: "the country of Bihar that was the academy of Ulema".

Founding of the Jamia and its Aims and Objects

Great institution of achievement and guidance as well as of teaching and preaching, Jamiatul Qasim Darul Uloom-il-Islamia situated in the State of Bihar on Indo-Nepal border is also a link of the same golden chain whose foundation was laid fourteen hundred years ago by our Madinin master Muhammad-e-'Arabi (S.A.W.) in the house of Arqam. Jamiatul Qasim Darul

Uloom-i-Islamia falls in the north of the State of Bihar. This region comprises a vast population of Muslims and has got the status of the heart of the Muslims of State, where, according to one estimate, fifty lac sons of Tawheed dwell. But this is also a tragedy that this region, which contains biggest Muslim population after the State of Kashmir, continues to be the haven of educational backwardness, poverty and penury, mainly due to partisan attitude of the government, and the Muslims residing here are forced to live a tribal life on account of economic and financial contraction.

In such circumstances, considering the decline and fall of the nation as well as the religious requirements, the great institution of Jamiatul Qasim Darul Uloom-il-Islamia was founded on 25th of March 1989/Shah'ban Al-Mu'azzam 16, 1409 HE. Educational, ideological, religious and preaching journey of this institution started with 13 students and 3 distinguished teachers. From its beginning to this time, this institution has been exclusively busy in accomplishing its aims and objectives and in adorning the younger generations of the Millat with the jewels of education besides initiating them in true faith, and it has successfully crossed several mile-stones in educational and construction departments. Presently, the Jamia has in and around its locality a total of 25 branches (including the institutes of the Glorious Qur'an and schools of Diniyyat) where dedicated and selfless but trained teachers impart basic religious education along with lessons in contemporary sciences to male and female students of these localities.

All praises to Allah! Combined strength of boy and girl students completing their studies in Hifz, Qir'at, Arabic middle and 'Alimiyyat from the educational institutions run under auspices of the Jamia during last 27 years has been more than fifteen thousand (15,000), whereas 75 dedicated teachers and their assistants attend to educational and training needs of 4,500 boy and girl students. Number of students residing in Darul Iqamah of the Jamia is one thousand (1,000), expenses of whose complete maintenance are born by the Jamia.

Tehreek-e-Khatm-e-Nubuwwat, Bihar

This has been unfortunate for this region that because of the large number of its population that is forced to live below poverty line, movements of false mischief have been finding an opportunity to prosper here. So the

contradictors of the finality of prophethood and biggest enemies of the honor of the Apostle (S.A. W.), the Qadiyanis, have always cast their bad eyes on this region. Hence, this region could never be completely freed from this anti-Islam and misleading mischief. The great elder Maulana of Bihar, Maulana Muhammad Ali Mongeri, the founder of Nadwatul Ulema, Lucknow, kept struggling to get this area free from the mischief of Qadiyanism till the last breath of his life. He spent his entire life in suppressing and combating Qadiyanism and never rested for a moment until his struggle succeeded. He has authored many books and pamphlets in rejection of Qadiyanism. Bihar, on which Qadiyanis had made their attacks with full force, and a large number of local Muslims had been victimized by them, was temporarily saved from this danger because of his efforts. But this area could not be cleansed completely from the mischief of Qadiyanism even to date. Even today, Qadiyanis keep enticing poor and simple Muslims every now and then. The department of Tehreek-e-Khatm-e-Nubuwwat has been properly organized in the Jamia for crushing this mischief. Several major attempts have been made under this department in order to abolish the mischief of Qadiyanism.

In 2008, when a Qadiyani, Sharif Alam, came here as the district magistrate of Supaul, misusing his office and exploiting his reach and influence in the government, he tried to raid over Muslims' faith and belief in an organized manner. But the Jamia stood face to face against him and foiled his unholy campaign with the cooperation of Darul Uloom Deoband. Reform training camps were organized in the areas affected by Qadiyanism and this series continued for about three years. The distinguished Ulemas toured all villages and preached the peoples that the faith in finality of prophethood is a very important and a basic tenet of the religion of Islam that has always been agreed upon by Muslims in every period. So, any person who is antagonistic to this Ijmaa', he shall become an infidel and a turn coat and shall automatically get expunged from Islam. Because of untiring efforts made by the teachers and preachers of the Jamia, the reality of this mischief got exposed to Muslims, and more than one lac individuals (1,00,000) affected by the mischief of Qadiyanism re-embraced Islam after performing Taubah. In this way thousands and lacs of Muslims were saved from this mischief with the help of Tehreek-e-Khatm-e-Nubuwwat.

Nevertheless, this was also a result of launching a campaign to crush the

mischief of Qadiyanism that the Jamia had to face different difficulties. It was implicated in false cases. The founder of the Jamia was threatened for his life and several hindrances were created in his path. He was shot at on two occasions. In spite of all this, the Nourisher of the world drove this man to triumph and success and Qadiyanis were beaten back bluntly. Out of untiring efforts made by the founder of the Jamia, the flag bearer of the honor of Apostleship Mufti Mehfoozur Rahman Usmani, the government of Bihar shifted the Emir of Qadiyanis, Sharif Alam, to zoological department!
